

REGISTRATION IS OPEN FOR STEUBENVILLE

I will keep early registration open until February 28th and then on March 1st the registration link will be opened on the Steubenville page.

GRADES 8th - 12th (over age 18 will need safe environment training)

In order for me to register a group I have to submit the number of participants attending. Once I have your deposits, I will open the group and you can then fill out the info online. That link will be sent to you via email. Once I open the group I am only allowed to add or drop a small number of spots without being charged a fee. If you want to attend please reserve your spot as soon as possible. Contact me if you need to discuss payment options. Please do not let a lack of funds stop you from attending.

It's time to register for Steubenville 2019. You can reserve your spot by filling out this form and returning it along with a \$50 non refundable deposit. You can bring form and payment to the Church Office. Make checks payable to HOLY CROSS CHURCH
